21 Manual Notice List

22 The following is the list of attorneys who are **not** on the list to receive e-mail notices for this case (who  
 23 therefore require manual noticing). You may wish to use your mouse to select and copy this list into your word  
 24 processing program in order to create notices or labels for these recipients.

25 (No manual recipients)

26 I am "readily familiar" with the firm's practice of collection and processing correspondence  
 27 for mailing. Under that practice it would be deposited with the U.S. Postal service on that  
 28 same day with postage thereon fully prepaid at San Diego, California in the ordinary course  
 29 of business. I am aware that on motion of the party served, service is presumed invalid if  
 30 postal cancellation date or postage meter date is more than one day after date of deposit for  
 31 mailing in affidavit.

32 I declare under penalty of perjury under the laws of the State of California that the  
 33 above is true and correct.
